

Express Checkout for Auction Bidders

WildLife 2010 will again feature “Express Checkout” for auction bidders! We know the last thing you want to do on Saturday night is wait in line to purchase your auction items. Therefore, in order to expedite the settle-up process after the auctions have closed, we will offer Express Checkout.

How it works:

Fill out the Express Checkout Application at the bottom of this page. Use the credit card with which you would like to purchase auction items at WildLife 2010. TWA will keep your credit card information on file for this purpose. If you are the highest bidder for one or more auction items during WildLife 2010, we will charge your credit card with the amount you bid. At the close of the auction, go to the Express Checkout station to pick up the receipt for the auction item(s) you purchased, then proceed to the Silent Auction room to pick up your item(s).

TWA highly recommends Express Checkout to improve your convention experience. We guarantee your credit card information will be kept confidential. If you are not the highest bidder on any auction items, your card will not be charged.

YES, sign me up for Express Checkout at WildLife 2010!
