HUNTING HERITAGE

TEXAS YOUTH HUNTING PROGRAM

The Texas Youth Hunting Program was established in 1995 as a partnership between TWA and Texas Parks and Wildlife Department. The goal of the program is to increase the number of youth participating in educational, safe, mentored wildlife and hunting activities and to promote hunting heritage in Texas.

To date, the program has provided over 3,300 hunting experiences for over 73,000 hunters, parents and volunteers since the start of the program.

TEXAS BIG GAME AWARDS

The Texas Big Game Awards is a free, certificate based awards program which has awarded over 38,000 hunters and landowners since its inception in 1991. Known as the "Official Hunting Program of Texas," the purpose of

the TBGA is to promote awareness about wildlife management and the role that hunting plays in habitat conservation, and to foster cooperation among stakeholders who ensure that our state's wildlife habitat is conserved forever. The Texas Big Game Awards recognizes those individuals who harvest quality big game animals in Texas, the land managers who produce these animals, the importance of our hunting heritage, and the achievement of young and first-time hunters. The TBGA also awards 9 college scholarships annually to students across the state majoring in natural resource related fields.

ISSUES AND ADVOCACY

TWA is the leading voice for wildlife conservation policy in Texas. We are committed to protecting property rights, pursuing landowner protections and wildlife management tools, promoting and preserving our hunting heritage, and actively influencing outcomes in state and federal legislative and regulatory processes.

In the 87th Texas Legislative Session, TWA proudly played a critical role in the reauthorization of Texas Parks and Wildlife Department through the Sunset Commission and Legislature, worked with partners to advance hard-fought reform to the eminent domain process affecting private landowners, and served as watchdog on dozens of water, wildlife, hunting, and property tax bills. TWA will continue to fight for legislation that protects the landowners and natural resources of Texas.

TWA POLITICAL ACTION COMMITTEE

The TWA Political Action Committee (TWAPAC) provides financial support to Texas candidates who support the mission of Texas Wildlife Association (TWA). Our efforts seek to educate our state's decision makers about what matters to you - wildlife, water, property rights, hunting heritage and more. TWA truly is doing right by Texas.

CONSERVATION LEGACY

Educating generations of Texans about land stewardship through engagement in the natural world from the classroom to the vast outdoors, using land as the guide. Program objectives include: foster a personal connection to wildlife and the land; facilitate agricultural and natural resource literacy by providing meaningful learning experiences within the outdoors; educate and empower Texans with scientific knowledge of fundamental ecological principles that apply to their life every day.
