

Name \_\_\_\_\_ Date \_\_\_\_\_

## **Blending Butterflies**

---

Number of butterflies I see \_\_\_\_\_

Total number of butterflies in classroom \_\_\_\_\_

1. What type(s) of camouflage were used to disguise the butterflies in the classroom?

2. Which type of camouflage was the best at hiding the butterflies?

3. Why do you think this type of camouflage made it difficult to see the butterflies?

4. For each type of habitat listed, describe a possible type of camouflage. Explain why this type of camouflage would help an animal survive.

<b>Habitat</b>	<b>Type of Camouflage</b>	<b>Explanation</b>
Ocean		
Forest		
Desert		
Prairie (Grassland)
