HUNTING HERITAGE

The overall goal of Hunting Heritage is educating Texans about wildlife and the role that hunting plays in conservation through wildlife and habitat management. TWA's Hunting Heritage reputation for excellence is built on three pillars: the Texas Big Game Awards (TBGA), Texas Youth Hunting Program (TYHP) and Adult Learn to Hunt Program.

TEXAS YOUTH HUNTING PROGRAM

TEXAS BIG GAME AWARDS

Total Entries	678
Scored Entry	357
First Harvest	212
Youth Division	109

HUNTING HERITAGE PROGRAMS

TEXAS YOUTH HUNTING PROGRAM

TYHP is entering its 27th Season. Since 1997 we have taken almost 80,000 people on safe, educational hunting experiences. Hunter Education is a prerequisite and a TYHP hunt offers advanced Hunter Education activities. We have over 1,800 volunteer Huntmasters in 8 areas and over 200 Landowners statewide. Our partner, Texas Parks and Wildlife Department, provides grant monies along with several wildlife conservation, and private philanthropic organizations that enable our volunteers and landowners to host more youth hunters than anyone in the nation.

TEXAS BIG GAME AWARDS

TBGA celebrates the relationship between voluntary land stewardship and healthy wildlife by recognizing hunters and landowners in a free, certificate based awards program. Celebrating its 31st season, the TBGA has acknowledged more than 38,000 hunters and landowners.

ADULT LEARN TO HUNT PROGRAM

With TYHP's history as a basis, we have expanded our programming to meet a vital need in our adult population as well. With our Adult Learn to Hunt Program, we focus our mission on adult novice hunters with an interest in forging a connection between conservation based hunting and sustainable eating. As land stewards, we know the many challenges of participating in traditional outdoor activities and aim to break down those barriers for our fellow Texans.

CONSERVATION LEGACY

Educating people of all ages about the importance of native Texas wildlife and private lands stewardship by incorporating wildlife information and natural resource management practices into classrooms and afield.

CONSERVATION LEGACY PROGRAMS

PUBLIC EDUCATION

EMERGING ISSUES EDUCATION & LANDOWNER WORKSHOPS

Conferences, seminars, field workshops and progressive trainings that provide landowners, natural resource professionals and others with the knowledge and tools necessary to steward Texas wildlife, fostering an appreciation for natural processes and ecological interactions

WILDLIFE AND LAND STEWARDSHIP ONLINE EDUCATION

Online videos available on TWA's YouTube and Vimeo channels focus on wildlife and land management techniques, strategies, and other timely conservation related topics.

FAMILY LAND, WATER & WILDLIFE EXPEDITIONS

Educational, safe, and mentored outdoor experiences for youth ages 9-17 and their families on private land to witness the work of good land stewards across the state.

FORMAL EDUCATION

DISCOVERY TRUNKS

Wildlife and water themed trunks filled with biofacts, books, models, posters, tools and aligning lessons - shipped to schools for teachers and students to engage in science and natural resources.

WILDLIFE BY DESIGN CLASSROOM PRESENTATIONS

Conservation Educators use hands-on, inquiry-based presentations on wildlife, soil, and water to connect students to nearby natural resources and bring relevancy to stewardship at any age.

CRITTER CONNECTIONS

A subscription-based magazine where readers learn about native wildlife and natural resources in Texas. Each quarterly issue includes articles, activities, puzzles, and stewardship actions geared for youth.

STEWARDSHIP TEXAS - A SCIENTIFIC EXPLORATION

A compilation of lessons designed to connect youth with land stewardship; promote awareness, develop an understanding, and instill a stewardship ethic.

DISTANCE LEARNING: ON-DEMAND WEBINARS & VIDEOCONFERENCES

Online youth video lessons featuring Texas wildlife, water, and conservation.

STUDENT LAND, WATER & WILDLIFE EXPEDITIONS

Middle and high school natural resources curriculum culminating with a day of outdoor studies focused on land, water, and wildlife.

TEACHER WORKSHOPS

Immersive educator trainings, which demonstrate the importance of natural resources stewardship, align it with classroom science standards, and provide participants with the confidence and resources for implementation.

ISSUES AND ADVOCACY

TWA is the leading voice for wildlife conservation policy in Texas. We are committed to protecting property rights, pursuing landowner protections and wildlife management tools, promoting and preserving hunting heritage, and actively influencing outcomes in state and federal legislative and regulatory processes.

TWA remained extremely active in the state regulatory process during 2022, working closely with agency partners at Texas Parks and Wildlife Department to improve land, water and wildlife management processes including, but not limited to, Chronic Wasting Disease containment and oyster management. In preparation for the 88th Texas Legislative Session, TWA staff and volunteer leaders worked to strengthen relationships with partners and educate legislative staff about the issues important to our members. As always, TWA will continue to fight for legislation that protects the landowners, hunters and natural resources of Texas.

TWA POLITICAL ACTION COMMITTEE

The TWA Political Action Committee (TWAPAC) provides financial support to Texas candidates who support the mission of Texas Wildlife Association (TWA). Our efforts seek to educate our state's decision makers about what matters to you - wildlife, water, property rights, hunting heritage, and more. TWA truly is doing right by Texas.
