

Name _____ Date _____

Blending Butterflies

Number of butterflies I see _____

Total number of butterflies in the classroom _____

1. What type(s) of camouflage were used to disguise the butterflies in the classroom?

2. Which type of camouflage was the best at hiding the butterflies?

3. Why do you think this type of camouflage made it difficult to see the butterflies?

4. For each type of habitat listed, describe a possible type of camouflage. Explain why this type of camouflage would help an animal survive.

| Habitat | Type of Camouflage | Explanation |
|------------------------|---------------------------|--------------------|
| Ocean | | |
| Forest | | |
| Desert | | |
| Prairie (Grassland) | | |
